

Holy Trinity Update May 11, 2020

Numbers Update – Currently there are 34 COVID positive residents and 50 negatives. Of the 34 positives, 21 are symptomatic and 13 are not. Holy Trinity is pleased that the residents' COVID status has improved and the census has been stable. The total number of deaths associated with COVID remains at 8, as reported in the last update.

Happy Mother's Day! - Mother's Day was celebrated by many families with window visits, virtual visits, and telephone calls. This is a very difficult time for everyone not being able to spend much time with their mothers, but luckily many of the residents of Holy Trinity were visited by their daughters and sons and grandchildren.

Resident Visits – With the weather improving, the residents have started to enjoy family visits through their windows and continue to enjoy [virtual visits](#), as well as phone calls. Please contact Holy Trinity (508-852-1000) if you would like to schedule a visit.

Staff Appreciation – Holy Trinity is grateful for its hardworking staff for continuing to make the residents comfortable, healthy, and happy during this extremely difficult time. And, in honor of National Nurses Day on May 6, Holy Trinity recognized the nursing staff who continues to go above and beyond.

Holy Trinity continues to offer **"Thank you Meals"** for its staff with generous donations from the community and resident families. This past week New England Roast Beef, Val's Restaurant, Garden Fresh Courthouse Café, Dean Park Pizza, and Bagel Inn all prepared delicious menu items for the staff. Holy Trinity would like to thank Fr. Dean & Presbyteria Cynthia Paleologos and Celeste and D Moschos, as well as other donor friends and local businesses for their support.

You may contribute to staff appreciation program on the Holy Trinity [website](#) and include a note that you would like to contribute to staff "thank you meals."

We thank you for continuing to keep Holy Trinity in your hearts and your prayers!

President of the Board of Directors
