

Holy Trinity Update May 26, 2020

The staff and residents of Holy Trinity hope that everyone had a wonderful Memorial Day Weekend! It was a time of remembrance of those who have passed and an opportunity to recall what their lives meant to each of us. Holy Trinity is relieved to be turning the corner after a difficult few months and thankful to its staff and residents' families for their support and patience during this challenging time.

Covid-19 Update – With a significant shift downward in the number of positive Covid cases, Holy Trinity is pleased to report it is down to 7 Covid-positive residents, none of whom are symptomatic. Sadly, Holy Trinity has reported 10 deaths since the Covid-19 crisis struck and it grieves with the families for their losses. Holy Trinity continues to admit residents that are sick, no matter the ailment, consistent with the Christian mission on which it was founded, continuing to care for them in the safest manner possible and, cohorting patients as needed.

Resident Activities

Spring has sprung and Holy Trinity saw a burst of activity during the month of May. Holy Trinity would like to acknowledge and thank local performers Joe Cariglia, Cindy Melikian and George Guertin for donating their time to entertain its residents with a 'social distance' outdoor concert. Birthday celebrations were also had for four residents.

While group activities have been postponed, activities staff have been keeping residents busy. Covid-negative or asymptomatic residents are enjoying hallway bingo, hallway exercise, Hallmark movies, word search puzzles, reminiscing games and more. Residents restricted to their rooms are being offered the opportunity to participate in individual activities such as word search, crossword puzzles, arts & crafts, and adult coloring.

Resident families can schedule Facetime or Skype visits with their loved ones [online](#) or contact the receptionist or social worker to arrange for window visits.
